## MCS Fall Serenade to benefit student scholarships

Outdoors, a nip is already in the air, but inside, the rooms will be filled with the warmth of classical music when the Music Conservatory of Sandpoint performs its Fall Serenade. This popular annual event will feature the extraordinary talent of our MCS teachers. Proceeds will benefit the youth of our community who wish to learn to sing or play an instrument.

This year, MCS is hosting a most unique Serenade. "Autumn Revels in a Musical Villa" features simultaneous performances throughout our venue at 110 Main Street. MCS is excited to share our autumn-festooned school with the public from 3 to 5 pm on Sunday, November 14, 2021.

The event includes a raffle of Sandpoint local business delights, as well as a bake sale, to raise funds for scholarships. A light reception and no-host wine bar will be offered. Admission is limited, and tickets are \$25 for adults and \$15 for students.

MCS Board President Kathi Samuels explains the increased need for scholarships among the youth in our community. "It takes years to get ready for the big stage, and we mentor students all the way from beginners to pre-college music majors," she says. "At the Serenade, our instructors will perform works by the great masters in support of our tuition assistance scholarship programs. It's our annual Fall Serenade and we hope music lovers will come and celebrate our cause!"
