

Music Conservatory of Sandpoint

For Immediate Release

Todays' Date: November 13, 2020

Event Dates: November 22 and 29 of 2020

MCS Theater Performances Coming Soon – Two Radio Broadcasts on Community Radio, KRFY 88.5

The show must go on!! The Music Conservatory of Sandpoint theater students understand the 2020 version of this saying. This fall they have been having fun working on two new productions, amidst restrictions brought on by our current community health status. From six feet apart they have been developing skills in voice acting, recording, and sound effects. And now...the theater students of the Music Conservatory of Sandpoint are proud to present, two exciting broadcasts on KRFY! In a partnership with Community Radio 88.5 KRFY, the Music Conservatory students will be presenting a dramatization of H.G Wells *War of the Worlds* and *School News Report*.

War of the worlds, presented by the Teen Drama Class will air Sunday November 22nd at 6PM and *School News Report*, performed by the Young Performers class will air Sunday November 29th at 6PM. Live streaming available at www.krfy.org.

Tune in to hear these amazingly talented students bring these dramatic and hilarious works to life!
